searching for patients

- Once a patient is scanned their images will become available on your notifications page (1). To limit your search field, just type their Surname into the search box (2)
- The green tick (3) indicates the report has been verified by our Radiologist
- To view the Images &/or Report simply click on the font or image stamps (4)

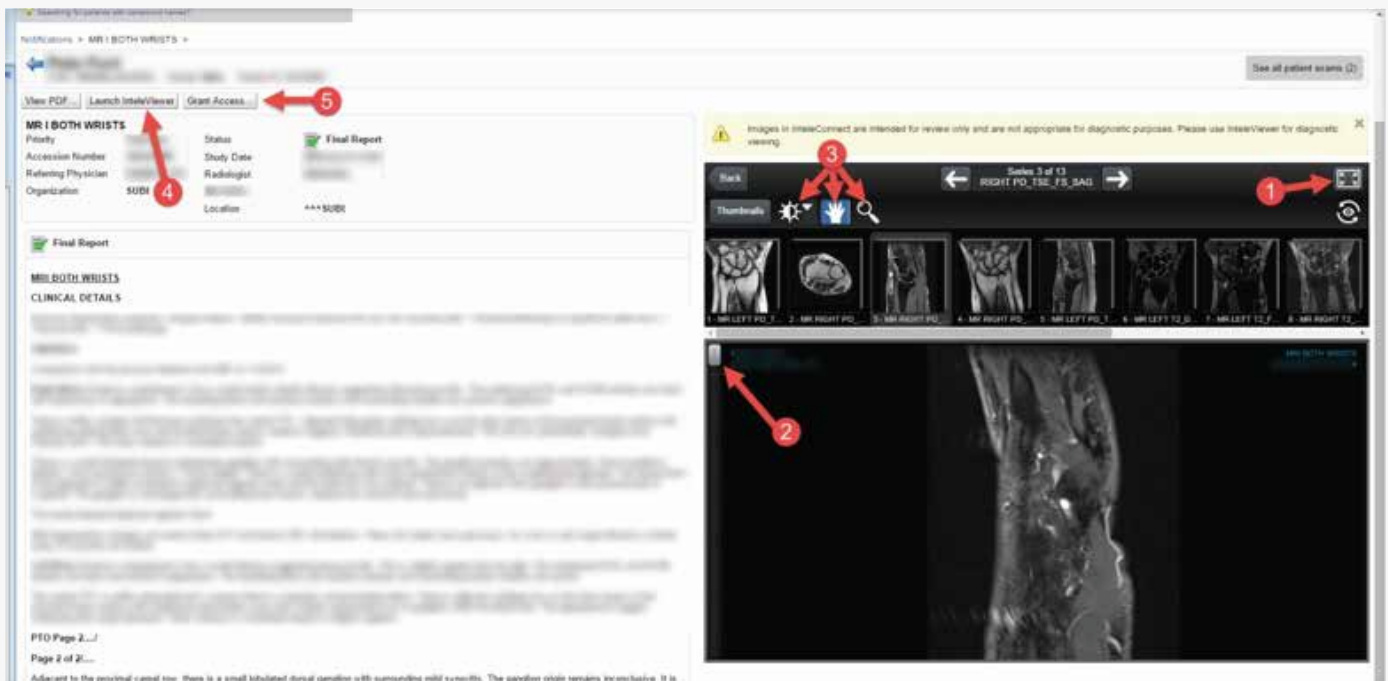

The screenshot displays the ENVISION MEDICAL IMAGING web interface. At the top left is the logo. Below it is a search bar with the placeholder text "Search patient name or id" and a red arrow labeled "2" pointing to it. To the right of the search bar is a "Access Break Glass" button. In the top right corner, there is a navigation menu with links for "Welcome", "My notifications", "Patients", "Profile", "Help", and "Log out", with a red arrow labeled "1" pointing to "My notifications". Below the search bar, the "Notifications" section is titled "My notifications (99 new)". Underneath, there is a dropdown menu set to "My notifications". The first notification is titled "Images available for patient" and includes a "NEW" badge. It shows a list of image thumbnails, with a red arrow labeled "4" pointing to one of them. Below the thumbnails, it says "Status updated on 2014 Oct 28 18:00". The second notification is titled "Final report for patient" and includes a "NEW" badge. It shows a green checkmark icon and a red arrow labeled "3" pointing to it. Below the checkmark, it says "Signed on 2014 Oct 28 14:45 by".

ONLINE

viewing the images & reports

- Once in the patient you can view the image series by clicking on any of the thumbnails. To enlarge to full screen view click icon (1).
- To Scroll through the images use icon (2) or the mouse roller (images can take a few seconds to load)
- You can manipulate the image appearance using the tools (3) if required
- If advanced image manipulation tools are required you can launch Inteleviewer via icon (4)
- Should you want another clinician to view the images you can grant them access to view the scans via their own Envision Online login.

ONLINE

break glass feature

- To access patients images who have been referred here by someone else you can click the Break Glass Icon (1)
- You will need to acknowledge to T&Cs (2). Access can be audited.
- Enter either the Patient ID(Found on our reports) or enter the Surname, First Name & Date of Birth of the Patient. (3)
- Click “Check Patient” (4)
- A list of relevant patients will appear & you can click “Access Patient Studies” (5)
- The images may take a minute or two to transfer from the server.

The screenshot shows the ENVISION ONLINE interface with a search bar and a list of notifications. A dialog box titled "Access Break Glass" is open, displaying the following text:

Access Break Glass

This feature allows you to view studies for which you were not granted automatic access.

I understand that I am about to access information for a patient for whom I am not the primary referring physician on record. I acknowledge that I am doing so only for medical reasons and for the sole benefit of the patient, and in doing so am bound to keep this information private and confidential.

Note: This feature allows you to view only studies currently available on the PACS. You do not have access to studies for this patient that are acquired at a later date.

Please allow a few minutes for the studies to become available.

I acknowledge and accept the terms of this confidentiality agreement.

Provide the full patient ID

Or

Provide the full patient name and the date of birth

watson,phil 19760820

Last name, first name YYYYMMDD

Check Patient

3 patients matching your search criteria were found:

DEFGHI - PHIL WATSON (Male - 38Y)
DJC890Z - PHIL WATSON (Male - 38Y)
123 - PHILIP WATSON (Male - 38Y)
